

# Accessing Student Interim Reports and Report Cards in the Tyler SIS Parent Portal

A decorative background featuring several sharpened pencils in various colors (red, purple, blue, teal, green, yellow, orange) scattered around the central text. The pencils are arranged in a circular pattern, with some pointing towards the center and others pointing outwards.

Beginning with the Interim Reports to be processed on October 7, Interim Reports and Report Cards for Grades 1-5 will be uploaded to the Student Portfolio within Tyler SIS. We will not be printing Interims or Report Cards to go home with the students. Parents will be able to access their child's information by going into the Parent Portal, and then looking under the Student Portfolio. The information will be uploaded to the Parent Portal on Wednesday morning, October 7, 2020.
