-

Tyler SIS Parent Portal

Account Access

Based on the information you provided during registration:

- ◇ your username is your email address
- ◇ your password is autogenerated by Tyler SIS and can be changed once you log in.

If you have already accessed your child's account, you can click on **Forgot Your Login**. You will be prompted to reset your password or retrieve your username.

Home-returns to the Student Summary screen from any other area.

User Preferences- Choose your language, change your password, change your email address, and log out.

The screenshot shows the Tyler SIS Parent Portal interface. At the top, there is a navigation bar with the Tyler SIS logo and a home icon. Below the navigation bar is a sidebar menu with categories: Current Academics, Daily Student Activity, School Life, Send Email, Student History, Student Information, and Utilities and Settings. The main content area is divided into several sections: Announcements, Assignments, Today's Attendance, Current Grades, and Student Schedule. The Assignments section shows 0 missing in the last 30 days, 0 due today, and 0 due tomorrow. The Today's Attendance section shows 'Present'. The Current Grades section shows a table of courses for Grade 03. The Student Schedule section shows a table of courses for Today (Monday 03/28) and Next School Day (Tuesday 03/29). Callouts provide additional information: 'Home' returns to the Student Summary screen; 'User Preferences' allows changing language, password, email address, and logging out; 'Forgot Your Login' is used to reset password or retrieve username; 'Multiple children are shown in the same account. Use the drop down menu after the student name to access additional children.'; 'View information regarding your child's transportation to and from school.'; 'View and sign any forms set up by the school district.'; 'View student interim reports and report cards.'; 'Find your child's student ID number needed for student log in.'; 'Set notification preferences for attendance, behavior, grades, and health.'; and 'Set notification preferences for attendance, behavior, grades, and health.'

Set notification preferences for attendance, behavior, grades, and health.
